Mr. Whiskers says:

"Here is a game for two to play. Color and cut out the sled and the airplane. Paste them on cardboard. These are your movers.

"Now color and cut out the elves, reindeer, and Santas. Paste them on cardboard and put them in a box. These are your playing pieces.

"Players take turns drawing the playing pieces from the box.
Reindeer—Move one square.
Elf—Move two squares.
Santa—Move three squares.
After each turn, the player replaces the playing piece in the box."
