Several years ago when spotted doing the dishes after a congregational event, he was told he had probably earned the right to at least not have to do the dishes. His response? "I like doing the dishes, because nobody ever let me do the dishes when I was the pastor."

*"ELCA World Hunger is the church at work. We walk alongside our partners and companions in the United States and more than 60 other countries. Generating unique solutions to local challenges starts by listening to our neighbors and communities. Then, together, we work and serve to help break the cycle of hunger and poverty — for good."*

## Reverend Roger Livdahl

Ordained in 1961, Roger began his ministry in the parish but it wouldn't be long before he felt a call to work specifically toward ending hunger in his community, in North Dakota, and the world. Working with Church World Services for 13 years, he traveled around the globe experiencing, learning, and building relationships that would help countless people and communities. In 1987, as the Lutheran church was merging into the ELCA, Rev. Livdahl was one of the instrumental people gathered to help imagine what the ELCA hunger ministry would look like. He would go on to serve as director of ELCA World Hunger and Disaster Appeals from 1990 to 1998.
